Candidates.

(2) Immediately after a nomination paper has been delivered to the Commission the name of the candidate shall be posted at the entrance of the Electoral Office with an indication of the locality for which the candidate was nominated.

(3) Objections may be made to a nomination on the ground that the description of the candidate is insufficient to identify the candidate, that the nomination paper does not comply with, or was not delivered in accordance with the provisions of the Act or of these regulations or that the deposit prescribed by regulation 23 has not been paid:

Provided that no such objection may be made after the expiration of the time fixed for the making of such objection in the notice referred to in regulation 16.

24. (1) If at the expiration of the time fixed for the receipt of nominations, the number of candidates nominated for a locality is equal to or less than the number of councillors that the voters in such locality are entitled to return, the commissioners shall declare the candidates so nominated as elected councillors to represent that locality and such return shall be published in the Gazette.

(2) If the number of candidates nominated for a locality is less than that which the voters in that locality are entitled to return, the Commission shall issue a new Notice for the election of councillors to fill the remaining vacant seats in that locality, and if thereupon no further candidates are nominated, or if the number of candidates nominated is less than the number of vacant seats, the seats thereafter remaining vacant may be filled by the co-option of a councillor or councillors by the elected councillor or councillors of the locality and the Commission shall not issue a new Notice in respect thereof. The councillor or councillors so co-opted must have the qualifications established in article 11 of the Act.

(3) If more than such number of candidates as aforesaid be nominated for a locality, the commissioners shall cause a notice to be published in the Government Gazette over their signature stating the names of the candidates and the locality for which they have been nominated. No person whose name has not been published in

the said notice may be elected as a councillor.

votes.

53. The counting of votes for each locality shall take place at the place and time specified in notices referred to in regulation 16(c) and (d) and shall be conducted in accordance with the provisions of these regulations. Counting shall commence for a locality when all ballot boxes for that locality have been deposited in the room designated for the purpose by the Commission, all packets containing the papers and other material used by the assistant commissioners have been delivered to the Commission and neither ballot boxes nor packets have been declared to be in a state that gives rise to the suspicion that they have been tampered with.

Tampering with
ballot boxes.

54. (1) Political parties contesting the elections shall have the right to nominate a sufficient number of agents, to be determined by the Commission, to oversee at all times the receipt of the ballot boxes, documents and packets, by the Commission from the assistant commissioners and the storage of the said ballot boxes, documents and packets after the receipt thereof. These agents shall henceforth in these regulations be referred to as "delivery agents".

(2) Party delegates, candidates and delivery agents shall have the right to monitor the receipt of the ballot boxes by the Electoral Commission from the assistant commissioners and to make representations thereon.

(3) If any of the commissioners or any party delegate, candidate or delivery agent claims that any ballot box or package is received in a state that it gives rise to suspicion that it may have been tampered with, the Commission shall order such box or packet to be dealt with separately from the other boxes or packets, and shall immediately call a meeting of the Commission and at such meeting the Commission shall have the power to hear such evidence under oath as it deems necessary.

(4) Where the Commission decides that there is no evidence that justifies the suspicion that the box or packet has been tampered with, its decision shall be final and no appeal shall lie therefrom.

(7) Political parties shall select the ballot boxes in relation to which the packets containing voting documents are to be opened during delivery of the ballot boxes to the Commission and prior to the storage of the ballot boxes.

(10) The Commission shall preserve until the publication of the official results of the next following election all papers delivered to them by the assistant commissioners, as well as the unused ballot papers and the voting documents, in separate sealed packets indicating on each packet the nature of the documents contained therein, and the locality to which they appertain.

The Electoral Commission shall ensure that at all times during the counting of votes there are no less than two supervisors for each counting table and that the political parties are adequately represented in the choice of persons to act as supervisors for each counting table.

(7) Counters shall work under the direction of the supervisors; they shall physically sort and count the ballot papers. The Electoral Commission shall ensure that there are a sufficient number of counters on each counting table to ensure a quick and efficient counting process and that the political parties are adequately represented at all times during the counting of votes in the choice of persons to act as counters at each counting table.

Commissioners
may appoint
persons to assist
them in the
counting of votes.

56. (1) The Commission may authorise any one or more of its members or any other person or persons appointed by it to do anything on its behalf in connection with the receipt and storage of ballot boxes and the counting and transfer of votes and anything done by virtue of such authority shall be deemed to have been done by the Commission.

(2) Notwithstanding anything contained in any other part of these regulations, the Electoral Commission may for the purposes of the counting of votes appoint any number of principal assistant electoral commissioners to act on its behalf as the Commission deems fit to supervise the counting of votes within each locality and anything done by the principal assistant electoral commissioners shall be deemed to have been done by the Electoral Commission.

(3) The commissioners or any one or more of them shall administer to every person authorised to act for the Commission under the provisions of this regulation, an oath for the faithful discharge of the duties assigned to him.

PART IX

Ballot Paper Account Reconciliation

Counting of votes.

63. The Commission shall proceed to count all the votes cast in a locality in order to establish the total number of votes cast in that locality.

Removal of ballot boxes from strong room.

64. (1) Prior to the removal of each ballot box from the room designated by the Commission to hold all the ballot boxes in terms of regulation 16, the party delegates or their substitutes shall have the right to examine the seals affixed to each ballot box.

(2) Any objection raised by the party delegates or their substitutes as to the integrity of such seals shall be examined by the Commission whose decision thereon shall be final and not subject to appeal.

Opening of each ballot box.

65. One ballot box at a time shall be opened and prior to the opening of each ballot box the Commission shall cause the ballot paper account for that ballot box to be affixed in such a manner that it may be clearly seen by the candidates and agents and shall show the candidates and agents the seals on the ballot box in order that they may ascertain that such seals are intact.

- 66.** Any party delegate, candidate or agent may, prior to the opening of the ballot box, make representations claiming that the seals of the box have been tampered with. Where such an objection is made the box shall not be opened until the Commission, after consulting the party delegates or their substitutes, shall have given such directions and taken such measures as it may consider necessary. Objections to opening of ballot box.
- 67.** Where no objections are made and where the Electoral Commission in terms of the previous regulation of these regulations so directs, the ballot box shall be opened and the number of ballot papers contained therein shall be counted, face downwards, to ascertain that the number of votes in that ballot box corresponds to the ballot paper account. Checking of ballot paper account.
- 68.** Where the ballot papers in the ballot box do not tally with the ballot paper account the attention of the Commission shall be drawn to the fact and the Commission, after consultation with the party delegates, or their substitutes shall give such directions as it may deem fit and such decision shall be final. When ballot papers do not tally with ballot paper account.
- 69.** Where the ballot papers in the ballot box and the ballot paper account tally, the votes shall be put together and placed in a pigeon hole indicating the number of the ballot box. The pigeon hole and ballot papers must at all times be clearly visible by parties, candidates and agents. The ballot papers in each pigeon hole shall be put in parcels of fifty ballot papers each with any remainder being put at the bottom of the pile and the supervisor shall ensure that each parcel is counted for accuracy by more than one counter. When ballot papers and ballot paper account tally.
- 70.** The process described in regulations 63 to 69 shall be repeated until all ballot boxes have been opened to ascertain that the ballot papers in each box tally with the ballot paper account relative to it. All ballot boxes to be opened.
- 71.** After all ballot boxes have been opened and reconciled with the relative ballot paper account the Electoral Commission shall prior to proceeding to the sorting of votes declare the total number of votes cast and their distribution by ballot box. Number of votes cast.

PART X

Counting and Sorting of Votes

- 72.** (1) Ballot papers shall be sorted in accordance with this Part of these regulations. Sorting of ballot papers.
- (2) In this Part unless the context otherwise requires:
- (a) The expression "continuing candidate" means any candidate not elected and not excluded from the poll.
 - (b) The expression "first preference" means the figure "1" standing alone opposite the name of a candidate; the expression "second preference" means the figure "2" standing alone opposite the name of a candidate; and the expression "third preference" means the figure "3"

standing alone opposite the name of a candidate, and so on.

- (c) The expression "next available preference" means a second or subsequent preference recorded in consecutive numerical order for a continuing candidate, the preferences next in order on the ballot paper for candidates already elected or excluded from the poll being ignored.
- (d) The expression "transferable paper" means a ballot paper on which, following a first preference, a second or subsequent preference is recorded in consecutive numerical order for a continuing candidate.
- (e) The expression "non-transferable paper" means a ballot paper on which no second or subsequent preference is recorded for a continuing candidate:

Provided that a paper shall be deemed to have become a non-transferable paper whenever:

- (i) the names of two or more candidates (whether continuing or not) are marked with the same number, and are next in order of preference; or
 - (ii) the name of the candidate next in order of preference (whether continuing or not) is marked either by a number not following consecutively after some other number on the ballot paper or by two or more numbers; or
 - (iii) for any other reason it cannot be determined with certainty for which of the continuing candidates the next available preference of the voter is recorded.
- (f) The expression "original vote" in regard to any candidate means a vote derived from a ballot paper on which a first preference is recorded for that candidate.
 - (g) The expression "transferred vote" in regard to any candidate means a vote derived from a ballot paper on which a second or subsequent preference is recorded for that candidate.
 - (h) The expression "surplus" means the number of votes by which the total number of the votes, original and transferred, credited to any candidate, exceeds the quota.
 - (i) The expression "count" means:
 - (i) all the operations involved in the counting of the first preferences recorded for candidates; or
 - (ii) all the operations involved in the transfer of the surplus of an elected candidate; or
 - (iii) all the operations involved in the transfer of the votes of an excluded candidate or of two or more candidates excluded together.

73. The Commission shall cause the ballot papers to be sorted out into parcels according to their first preference recorded for each candidate, rejecting any that are invalid.

Sorting of ballot papers.

74. The sorting of ballot papers indicated in the previous regulation shall be carried out in the following manner:

Method of sorting.

- (a) the supervisor of each counting table shall take the topmost bundle of ballot papers from each pigeon hole and, in full view of the candidates and agents, place the bundles on a rack to pass to the counters;
- (b) when a parcel of ballot papers has been taken from each different pigeon hole and placed on the rack as provided in the previous paragraph of this regulation, the supervisor shall pass to each counter one parcel at a time in order that the ballot papers may be sorted;
- (c) the counters shall open each parcel with the ballot papers and ascertain whether each paper is valid or invalid;
- (d) if the counters decide that there is a possibility that, for any reason according to the Act or these regulations, a ballot paper may be invalid or if any candidate or agent for the same reason so claims, the counter shall place such ballot paper in a tray marked "dubious";
- (e) if the ballot paper is considered as valid the counter shall place the ballot paper in a tray indicating the candidate to which the first preference has been given on that ballot paper.

75. (1) When a counter has so disposed of the parcel of ballot papers mentioned in the previous regulation he shall be given another parcel to sort in the same manner and so on and so forth until all the parcels on the rack have been counted.

Continuation of sorting process.

(2) When all the parcels on the rack have been counted the supervisor shall take the next topmost parcel of ballot papers from each pigeon hole repeating the sorting process mentioned in regulation 74 and in sub-regulation (1) of this regulation and so on and so forth until all ballot papers have, in phases, been removed from the pigeon holes, put on the rack and sorted.

76. (1) Whenever the supervisor in charge of the sorting of votes determines that in the tray marked as "dubious" there are a sufficient number of ballot papers he shall call one of the principal assistant electoral commissioners to collect such papers.

Dubious votes.

(2) The dubious ballot papers may only be removed from the tray by a principal assistant electoral commissioner who shall personally take them to a table designated for that purpose.

(3) The Electoral Commission, or the principal assistant electoral commissioners, shall, after hearing the representations of the party delegates or their substitutes, decide in respect of each paper, whether it is valid or invalid and if they decide that it is

invalid they shall so stamp the paper on its face.

(4) The decision of the principal assistant electoral commissioners shall be subject to an appeal to a member of the Electoral Commission designated to hear such appeals by the Commission and his decision shall be final.

(5) Once all the dubious ballot papers have been declared valid or invalid, they shall be returned by a principal assistant electoral commissioner who shall pass them on to a supervisor.

(6) The supervisor shall cause the invalid ballot papers to be put in a tray marked "invalid" and the valid ballot papers to be sorted in accordance with the preceding regulations.

Counting papers.

77. (1) The Commission shall then count the number of papers in the tray of each candidate, and credit each candidate with a number of votes equal to the number of valid papers on which a first preference has been recorded for such candidate, and they shall ascertain the total number of valid papers.

(2) When counting the number of papers placed in the tray of each candidate, the supervisor shall direct that such papers be bundled in packets of fifty papers each and that each packet is counted by at least two counters.

Ascertainment of quota.

78. The Commission shall then divide the total number of valid papers by a number exceeding by one the number of vacancies to be filled. The result increased by one, disregarding any fractional remainder, shall be the number of votes sufficient to secure the return of a candidate. This number is herein called the "quota".

Candidate with quota elected.

79. If at the end of any count the number of votes credited to a candidate is equal to or greater than the quota, that candidate shall thereupon be elected.

Transfer of surplus.

80. (1) If at the end of any count the number of votes credited to a candidate is greater than the quota, the surplus shall be transferred, as in this regulation provided, to the continuing candidates for whom the next available preferences have been recorded on the ballot papers in the parcel or sub-parcel received by the elected candidate at that count.

Priority of surplus.

(2) A surplus which arises from any count shall be transferred before a surplus which may arise from a subsequent count.

(3) If more than one candidate has a surplus arising from the same count, the largest surplus shall first be dealt with.

Equality of surplus.

(4) If two or more candidates have each an equal surplus arising from the same count, the surplus of the candidate with the greatest number of votes at the first count at which the candidates in question had an unequal number of votes shall first be dealt with. Where the number of votes credited to such candidates were equal at all counts the Commission shall determine by lot which surplus they will first deal with.

Original votes only.

(5) (a) If the votes credited to an elected candidate consist of original votes only, the Commission shall examine all the papers in the parcel of the elected candidate whose

surplus is to be transferred.

- (b) If the votes credited to an elected candidate consist of original and transferred votes, or of transferred votes only, the Commission shall examine the papers contained in the last sub-parcel last received by the elected candidate whose surplus is to be transferred. Original and transferred votes.
- (c) In either case the Commission shall sort the transferable papers into sub-parcels according to the next available preference recorded thereon, shall make a separate sub-parcel of the non-transferable papers and shall ascertain the number of papers in each sub-parcel of transferable papers and in the sub-parcel of non-transferable papers. Papers sorted to next available preference.
- (6) If the total number of papers in the sub-parcels of transferable papers is not greater than the surplus, the Commission shall transfer the whole of each sub-parcel of transferable papers to the continuing candidate indicated thereon as the voter's next available preference, and shall set aside as a separate parcel so many of the non-transferable papers as are not required for the quota of the elected candidate. The particular papers set aside shall be those last filed in the sub-parcel of non-transferable papers. Transferable papers equal or less than surplus.
- (7) (a) If the total number of transferable papers is greater than the surplus, the Commission shall transfer from each sub-parcel of transferable papers to the continuing candidate indicated thereon as the voters' next available preference the number of papers which bears the same proportion to the number of papers in the sub-parcel as the surplus bears to the total number of transferable papers. Transferable papers exceed surplus; proportionate transfer.
- (b) The number of papers to be transferred from each sub-parcel shall be ascertained by multiplying the number of papers in the sub-parcel by the surplus and dividing the result by the total number of transferable papers. A note shall be made of the fractional parts, if any, of each number so ascertained. Ascertainment of number of papers to be transferred.
- (c) If, owing to the existence of such fractional parts, the number of papers to be transferred is less than the surplus, so many of these fractional parts taken in the order of their magnitude, beginning with the largest as are necessary to make the total number of papers to be transferred equal to the surplus, shall be reckoned as of the value of unity, and the remaining fractional parts shall be ignored. Treatment of fractional parts.
- (d) If two or more fractional parts are of equal magnitude, that fractional part shall be deemed to be the largest which arises from the largest sub-parcels and if the sub-parcels in question are equal in size, the fractional part credited to the candidate with the greatest number of votes at the first count at which the candidates in question had an unequal number of votes shall be deemed to be the largest. Where the numbers of votes

	credited to such candidates were equal at all counts the Commission shall determine by lot which fractional part shall be deemed to be the largest.
Papers transferred from sub-parcels.	(e) The particular papers transferred from each sub-parcel shall be those last filed in the sub-parcel, and each paper so transferred shall be marked with the number of the count at which the transfer took place.
Exclusion of candidates. One candidate excluded.	81. (1) If at the end of any count no candidate has a surplus and one or more vacancies remain unfilled, the Commission shall exclude from the poll the candidate credited with the lowest number of votes; shall examine all the papers of that candidate; shall sort the transferable papers into sub-parcels according to the next available preferences recorded thereon for continuing candidates; shall transfer each sub-parcel to the candidate for whom that preference is recorded; and shall make a separate sub-parcel of the non-transferable papers.
Two or more excluded.	(2) If the total of the votes of the two or more candidates lowest on the poll is less than the number of the votes credited to the next highest candidate the Commission may at the same count exclude those candidates from the poll and transfer their votes as in this regulation provided.
Selection of candidate for exclusion.	(3) If, when a candidate has to be excluded, two or more candidates have each the same number of votes and are lowest on the poll, the candidate with the lowest number of votes at the first count at which the candidates in question had an unequal number of votes shall be excluded, and, where the numbers of votes credited to those candidates were equal at all counts, the Commission shall decide by lot which shall be excluded.
Last vacancies.	82. Notwithstanding anything contained in these regulations: (1) If at the end of any count the number of elected candidates is equal to the number of vacancies to be filled, no further transfer of votes shall be made. (2) If on the exclusion of a candidate or candidates the number of the then continuing candidates is equal to the number of vacancies to be filled, the continuing candidates shall thereupon be elected and no further transfer of votes shall be made.
Procedure in transferring votes. Papers transferred.	83. (1) Whenever any transfer is made each sub-parcel of papers transferred shall be placed on the top of the parcel, if any, of papers of the candidate to whom the transfer is made, and that candidate shall be credited with a number of votes equal to the number of papers transferred to him.
Non-transferable papers set aside.	(2) Non-transferable papers, except such as in the transfer of a surplus may be required for the quota of the elected candidate, shall be set aside as a separate parcel together with any parcel of non-transferable papers already set aside.
Papers retained for quota.	(3) On the transfer of the surplus of an elected candidate, all papers not transferred to continuing candidates and not set aside as

provided in the preceding paragraph of this regulation shall be placed together in one parcel as the quota of the elected candidate and the parcel shall be marked with the name of the elected candidate.

84. Any candidate or agent may, at the end of any count, request the Commission to re-examine and re-count all or any of the papers dealt with during that count, and the Commission shall forthwith re-examine and recount accordingly the papers indicated without making any alterations in the arrangements of the papers in the various parcels save where such alteration may be necessary in consequence of any error discovered in the re-count; the Commission may also at their discretion re-count papers either once or more often in any case in which they are not satisfied as to the accuracy of any previous count; provided that nothing herein shall make it obligatory on the Commission to re-count the same papers more than once.

Partial re-counts.

85. (1) Upon an election petition the court may direct the total or partial re-count of the ballot papers and the result of the election to be ascertained in accordance with these regulations.

Election petitions.

(2) On any re-count, subject to such modifications as may be necessary by reason of any order of the court, each paper originally declared valid shall, whenever any transfer of votes takes place, follow the same course as at the original counting of the votes.

86. (1) If any question shall arise in relation to any transfer of votes, the decision of the Commission whether expressed or implied by their acts, shall be final unless an objection is made in writing by any candidate or agent before the declaration of the poll, and in that event the decision of the Commission may be reversed upon an election petition.

Decision of returning officers on transfer.

(2) If any decision of the Commission is so reversed, the transfer in question and all operations subsequent thereto shall be void and the court shall direct what transfer is to be made in place of the transfer in question, and shall cause the subsequent operations to be carried out and the result of the election to be ascertained in accordance with these regulations.

87. The declaration of the result of the poll shall include a record of any transfer of votes made under these regulations, and of the total number of votes credited to each candidate after any such transfer, and shall be in the form shown in the Twelfth Schedule, or in a form to the like effect.

Result of poll.
Form of declaration.

Notice of vacancy.
Amended by:
XXI.1999.3.

Nominations. **89.** Within five days after the publication of such notice any person who -

- (a) at the election held immediately prior to the occurrence of the said vacancy was a candidate nominated for election as a councillor for that locality in respect of which the vacancy has arisen, and did not withdraw from the election and was not elected, and
- (b) is still qualified to be so elected,

may with his consent, be nominated as a candidate for the said vacancy.

- (2) The papers preserved under seal in accordance with these regulations in the parcel of the vacating councillor shall be examined and transferred to the validly nominated candidates first available in order of preference shown upon such papers, and each validly nominated candidate shall be credited with one vote in respect of each paper transferred.
- (3) In any case where there is only one validly nominated candidate, if such candidate is credited with votes in number equal to or exceeding half the number of papers in the parcel of the vacating councillor, he shall be declared elected.
- (4) In any case where there are two or more validly nominated candidates, the Commission shall exclude from the poll the candidate credited with the lowest number of votes and shall transfer his votes according to the next available preferences shown upon the ballot papers for the continuing candidate or candidates. The process of excluding the candidate lowest in the poll and of transferring his votes according to the next available preferences shall be continued until there is only one candidate remaining. If such candidate shall have then been credited with votes in number equal to or exceeding half the number of papers in the parcel of the vacating councillor, that candidate shall be declared elected:

Provided that if at any time any candidates shall

have been credited with votes exceeding the combined total of votes of all other candidates, and at the same time equal to or exceeding half the number of papers in the parcel of the vacating councillor, he shall be declared elected without further transfer.

92. (1) If a vacancy occurs in a seat which has been filled in accordance with this Part of these regulations, or in the eventuality mentioned in regulation 24(1), or if on a vacancy occurring no candidate is validly nominated, or if after examination of the ballot papers of the vacating councillor no candidate secures election, the vacancy shall be filled by co-option in accordance with article 8(4) of the Act.

Vacancy filled by co-option in special case.

(2) In filling a vacancy by co-option, regard shall be had to the representation as nearly as may be of the interests and opinions represented and held by the vacating councillor.

PART XIV

Excuse for Corrupt and Illegal Practices

109. The election of a candidate, who has been guilty of the offence of treating and undue influence, and illegal practice, or of any such offences, in reference to such election shall not, by reason of such offences, be declared void, nor shall the candidate be subject to any incapacity under these regulations, if the court is satisfied after giving the Attorney General an opportunity of being heard that the candidate has proved:

Reasons exonerating candidates in certain cases of corrupt and illegal practices.

- (a) that no corrupt or illegal practice was committed at

such election by the candidate and the offences aforesaid were committed contrary to the orders and without the sanction or connivance of such candidate; and

- (b) that such candidate took all reasonable means for preventing the commission of corrupt and illegal practices at such election; and
- (c) that the offences aforesaid were of a trivial, unimportant and limited character; and
- (d) that in all other respects the election was free from any corrupt or illegal practice on the part of such candidate.

Power of courts to except innocent act from being illegal practice, etc.

110. Where, in any proceedings, it is shown to the Court by such evidence as seems to the court sufficient -

- (a) that any act or omission of a candidate at any election, or of any other agent or person, would, by reason of being the payment of a sum or the incurring of expense in excess of any maximum amount allowed by these regulations, or of being a payment, engagement, employment, or contract in contravention of these regulations, or of otherwise being in contravention of any of the provisions of these regulations, be but for this regulation an illegal practice; and
- (b) that any such act or omission arose from inadvertence or from accidental miscalculation or from some other reasonable cause of a like nature, and in any case, did not arise from any want of good faith,

and under the circumstances it seems to the court, after giving the Attorney General an opportunity of being heard, to be just that the candidate at the said election and other agent and person or any of them, should not be subject to any of the consequences under these regulations, the court may allow such act or omission to be an exception from the provisions of these regulations which would otherwise make the same an illegal practice, and thereupon such candidate, agent, or person shall not be subject to any of the consequences under these regulations of the said act or omission.

Authorized excuse for non-compliance with provisions as to return and declaration respecting election expense.

111. (1) Where the return and declarations respecting election expenses of a candidate at an election have not been transmitted as required by these regulations, or being transmitted contain some error or false statement, then if the candidate in any criminal or civil proceedings under these regulations proves to the satisfaction of the court that the failure to transmit such return and declarations, or any of them or any part thereof, or any error or false statement therein, has arisen by reason of his illness, or by reason of inadvertence, or of any reasonable cause of a like nature, and not by reason of any want of good faith on the part of the candidate, the court may, after giving the Attorney General an opportunity of being heard, make such order for allowing an authorized excuse for the failure to transmit such return and declarations, or for an error or false statement in such return and declarations, as to the court

seems just.

(2) Where in any proceedings it appears to the court that any person has refused or failed to make such return or to supply such particulars as will enable the candidate to comply with the provisions of these regulations as to the return and declaration respecting election expenses, the court, before making an order allowing the excuse as in this regulation mentioned, shall order such person to appear, and shall, unless he attends, and shows cause to the contrary, order him to make the return and declaration, or to deliver a statement of the particulars required to be contained in the return, as to the court seems just, and to make or deliver the same within such time and to such person and in such manner as the court may direct, or may order him to be examined with respect to such particulars, and in default of compliance with any such order, such person shall be guilty of an illegal practice.

(3) The court may allow the excuse conditionally upon the making of a return and declaration in a modified form or within an extended time, and upon the compliance with such other terms as to the court seem best calculated for carrying into effect the objects of these regulations; and an order allowing an authorized excuse shall relieve the candidate from any liability or consequences under these regulations in respect of the matter excused by the order.

(4) The date of the order, or if conditions and terms are to be complied with, the date at which the applicant fully complies with them, is referred to in these regulations as the date of the allowance of the excuse.

PART XV

Grounds for Avoiding Elections

112. The election of a candidate as a councillor is avoided by his conviction for any corrupt or illegal practice.

Avoidance by conviction of candidates.

113. The election of a candidate as a councillor shall be declared void on any of the following grounds which may be proved to the satisfaction of the court namely:

Avoidance of election on other grounds.

- (a) if by reason of general bribery, general treating, or general intimidation, or other misconduct, or other circumstances, the majority of electors were or may have been prevented from electing candidates whom they preferred;
- (b) non-compliance with the provisions of these regulations relating to election if it appears to the court that the election was not conducted in accordance with the principles laid down in such provisions and that such non-compliance affected the result of the election;
- (c) that a corrupt practice or an illegal practice was committed in connection with the election by the candidate;
- (d) that the candidate personally engaged a person as a canvasser or agent knowing that such person had

Provided further that if two consecutive meetings of the Council are adjourned due to a lack of quorum, the quorum necessary for the transaction of such business at the next subsequent meeting shall be reduced to fifty per cent of the members in office and not debarred from attending due to conflict of interest.
