(a) that he has neither parent nor guardian or has been and remains abandoned by his parents or guardian or is lost; or

(b) that his parents or guardians are, for the time being or permanently, prevented by reason of mental or bodily disease, or infirmity or other incapacity or any other circumstances from providing for his proper accommodation, maintenance or upbringing and there is no available person or persons capable, fit or willing to undertake the care of such child; and

(c) in either case, that the intervention of the Social Welfare Department under this section is necessary in the interests of the welfare of such child,

(2) Where the Director has received a child into his care under this section it shall, subject to the provisions of this Part, be his duty to keep the child in his care as long as the welfare of the child appears to him to require it and the child has not attained the age of eighteen.

(3) Nothing in this section shall authorize the Director to keep a child in his care under this section if any parent or guardian desires to take over the care of the child and the Director shall, in all cases where it appears to him to be consistent with the welfare of the child so to do, endeavor to secure that the care of the child is taken over either-

(a) by a parent or guardian of his; or

(b) by a relative or friend of his, being, where possible, a person of the same religious persuasion as the child or who gives an undertaking that the child will be brought up in that religious persuasion.

CHAPTER 352

Assumption by the Director of parental rights

4.-(1) Subject to the provisions of this Part, the Director may assume with respect to any child in his care under section 3 in whose case it appears to him-

(a) that his parents are dead and that he has no guardian; or

(b) that a parent or guardian of his (hereinafter referred to as "the person on whose account the assumption was required") has abandoned or neglected him or suffers from some permanent disability rendering the said person incapable of caring for the child, or is of such habits or mode of life as to be unfit to have the care of the child,

that all the rights and powers which the deceased parents would have if they were still living or, as the case may be, all the rights and powers of the person on whose account the assumption was required, shall vest in the Director.

(2) In the case of an assumption made by virtue of paragraph (b) of subsection (1), unless the person on whose account the assumption was required has consented in writing to the making of the assumption, the Director, if the whereabouts of said person are known to him, shall forthwith after the making of the

assumption serve on him notice in writing of the making thereof; and if not later than one month after such notice is served on him, the person on whose account the assumption was required serves a notice in writing on the Director objecting to the assumption, the assumption shall, subject to the provisions of subsection (3), lapse on the expiration of fourteen days from the service of the notice of objection.

Every notice served by the Director under this subsection shall inform the person on whom the notice is served of his right to object to the assumption and of the effect of any objection made by him.

(3) Where a notice has been served on the Director under subsection (2) the Director may, not later than fourteen days from the receipt by him of the notice, complain to the Court of the District in which the child is in care, and in that event the assumption shall not lapse by reason of the service of the notice until the determination of the complaint, and the Court may, on the hearing of the complaint, order that the assumption shall not lapse by reason of the service of the notice:

(4) A notice under this section may be served by post but suitable evidence of posting must be provided and any notice served by the Director under subsection (2) shall not be duly served by post unless it is sent in a registered letter.

(2) While an assumption made by virtue of paragraph (b) of the said subsection (1) of section 4 is in force with respect to a child, all rights and powers of the person on whose account the assumption was required shall, in respect of the child, be vested in the Director in accordance with the assumption and subsection (3) of section 3 shall not in respect of the child apply in relation to the person on whose account the assumption was required.

(3) An assumption under section 4 shall not prevent the Director from allowing, either for a fixed period or until the Director otherwise determines, the care of the child to be taken over by, and the child to be under the control of, a parent, guardian, relative or friend in any case where it appears to the Director to be for the benefit of the child.

(4) Where an assumption under section 4 is in force in respect of a child and the child has ceased to be in the care of the Director, the Director shall have power to receive the child back into his care in any circumstances in which it appears to him that his intervention under this subsection is necessary in the interests of the welfare of the child.

(6) An assumption made under section 4 shall not relieve any person from any liability to maintain or contribute to the maintenance of the child.

(7) An assumption under section 4 shall not authorize the Director to cause a child to be brought up in any religious creed other than that in which he would have been brought up but for the assumption.
